

EVENING, WEEKEND AND DAYTIME SHORT COURSES

Running from September 2015
across Cornwall.

To book call 0845 22 32 567
www.cornwall.ac.uk/leisure-courses

WHERE CAN I DO MY COURSE?

Evening, weekend and daytime short courses running from September 2015 in locations across Cornwall.

HOW TO BOOK

To book on to any of our courses, please call one of our team on 0845 22 32 567. You will get to speak to your local adult learning co-ordinator who will help you select the right programme for you, they can also take card payments over the phone or arrange other forms of payment.

COSTS

Material costs are included unless stated – usually highlighted with an asterisk where extra charges may be applicable. We will talk you through what these fees are when you book your place. All fees must be paid for prior to the start of the course or workshop. All prices and course details are correct at time of printing, however may be subject to change.

OTHER THINGS YOU NEED TO KNOW

The courses outlined in this guide are for adults (16+). However in special circumstances those under 16 years of age may be admitted, this is at the discretion of the College.

Occasionally if a class has low numbers, it may not run, we aim to let you know in plenty of time if this happens and will give you a full refund.

Refunds for any other reason will only be made in special circumstances, and if approved, given on a pro rata basis (will also incur an administration charge of £5 or 10% of the total amount, whichever is the greater). Any refund request must be made prior to the end of the course.

* Additional materials will be required for these courses and the tutor will advise you in advance or at the first session.

BASIC CAKE DECORATING TAUGHT BY CLAIRE BENDER

Claire Bender from The Strand Cakery has joined our team to deliver exciting and innovative cake decorating and cupcake workshops. Claire is a former student of Cornwall College and qualified in Patisserie NVQ Level 3, Pastry ABC Level 2 and Foundation Level Cake Decorating. She now runs her own business as a cake designer and pastry chef and we are so pleased to welcome her to our teaching team.

PORTRAIT PAINTING TAUGHT BY ANIKA MANUEL

Have you ever wanted to paint a portrait of yourself or someone you know? This course will give you the skills you need to do just that. The experienced tutor will take you through every stage of creating a portrait, from producing line drawings, using various painting techniques and creating flesh tones. Simply choose an image of the person you want to capture and come along and learn how to create a masterpiece.

JEWELLERY

TAUGHT BY ANNA POPE (CAMBORNE)
AND SUZANNE BARR (ST AUSTELL)

Our jewellery making for beginners course covers a variety of techniques to produce beautiful, individual jewellery in copper and sterling silver. Our intermediate course is designed for individuals who feel confident using basic techniques and want to learn more advanced skills. Anna Pope and Suzanne Barr offer a wealth of skills including wire wrapping, silversmithing, working with seaglass, copper and beads as well as fashion jewellery.

COOKERY WORKSHOPS

TAUGHT BY MARK DEVONSHIRE

Professional chef and lecturer Mark Devonshire will be teaching a series of exciting cookery workshops, where he will introduce students to specialist techniques and flavours and cooking styles from around the world. Workshops include Sushi for Beginners, Gluten Free Cookery, Pastries, Cakes & Puddings and a Taste of Thailand.

As well as lecturing on full- and part-time courses at Cornwall College, Mark continues to work within the hospitality industry and has 20 years of professional catering experience. He recently appeared on the BBC TV series 'Chefs on Trial', hosted by Alex Polizzi, where he acted as executive chef.

BEGINNERS GUIDE TO DIGITAL PHOTOGRAPHY

TAUGHT BY JOHN SATTERTHWAITE

This course is aimed at beginners who will learn the basic use of a digital camera with simple techniques to improve portraits, landscapes, travel photography, special occasions, and competition entries. The course will cover best settings, lens choice and printing options, basic control of natural, artificial and flash lighting and basic use of photo editing software. There will be projects each week for people to bring in their results and show to the group.

CREATIVE WRITING

TAUGHT BY PAULINE LIU-DEVEREUX

This course is intended for people who love reading and have their own stories to tell, both beginners and more experienced writers who feel in need of a little inspiration. The sessions are divided into discussions and writing exercises designed to stimulate the imagination and generate ideas. Students are encouraged to share their writing and, as they grow in confidence, to contribute constructive ideas on the writing of others. If all this sounds a little daunting please don't be put off, whatever level your writing has reached, our groups are friendly and above all, very enjoyable.

* Additional materials will be required for these courses and the tutor will advise you in advance or at the first session.

WELDING SKILLS - ARC/MIG

TAUGHT BY SEAN DASH (CAMBORNE) AND ANDY APPLEYARD (ST AUSTELL)

On this course you will gain an understanding of basic ARC welding, covering downhand single weld beads, re-joining of runs, build-up weld runs to form a weld pad, welding inside and outside corner joints and horizontal/vertical fillet welds on 3-12mm thick plate. The MIG welding section will cover the setting-up of the machine (volts and wire speed etc.) for correct operation to deposit welds in the downhand, horizontal/vertical and vertical weld positions.

INTRODUCTION TO CHEESE MAKING

TAUGHT BY LIZ WHITLEY

This is a practical course providing an introduction to cheese making, led by cheese expert Liz Whitley, Executive Director at the Society of Dairy Technology. You will learn how to make your own cheese at home including soft cheeses and a basic introduction to hard cheese making. You will look at the start of the cheese making process and discuss milk, starter, rennet, materials and equipment. Curd formation and treatments will be covered then finishing the cheese; hooping, salting, draining and pressing. This course is ideal for complete beginners or those that have had a go and would like to improve their cheese making.

INTRODUCTION TO FLORISTRY

TAUGHT BY VICKI SILGRAM & HELEN TRIPCONEY

Learn the basic skills needed to create beautiful floral arrangements, such as wiring, hand-tied bouquets and buttonholes. You will be guided by two professional florists who will give you plenty of time and support to refine your new skills.

Towards the end of the course, you will get an opportunity to develop your own individual style by creating a modern floral design. We supply all the materials and flowers you will need, but you can bring your own personal touches, accessories or favourite vase if you would like to.

This course would also be suitable for anyone who would like to learn the skills of floristry, either as a career change, or just for pleasure.

Courses run throughout the year, call **0845 60 50 455** or visit www.duchy.ac.uk/leisure-courses

ADULT EDUCATION

**100s of flexible, full- and part-time qualifications for everyone.
From basic maths and English through to GCSEs and BTEC Diplomas,
